

**KINETIC LIGHTS is the leading specialist in kinetic lighting.**

For more than 15 years KINETIC LIGHTS engineers and produces a wide range of steel wire and powered cable DMX WINCHES for various art, interior, stage, show and event lifting and lighting applications.

The main use of our high precision hoists is the synchronized spatial animation of large arrays of tethered LED LIGHTING ELEMENTS.

Our KINETIC LIGHTS products have received international recognition and awards including Cannes Lions, iF Design Awards, Red Dot Award.

**Head of Engineering (m/f/d)  
full-time**

## **YOUR TASKS:**

- \* Oversee an interdisciplinary engineering team of mechanical, electronic and firmware specialists
- \* Be responsible for the continuous improvement of our products, their project-related individualization, and new product development
- \* Prioritize essential goals while keeping development, budget, and timeline in mind, successfully balancing customer needs with internal execution
- \* Ensure prioritization and communication within and between teams
- \* Frequently report to management
- \* Analyze internal and external processes, identifying opportunities for improvement, such as cost reductions or process enhancements
- \* Hands-on involvement in hiring processes for the engineering team

## **YOU BRING:**

- \* A degree in a technical field, such as engineering, or a comparable professional qualification

- \* Experience in a comparable position and of working in an agile environment
- \* Enthusiasm and commitment to implement project requirements on time
- \* Outstanding analytical, communication and problem-solving skills
- \* Expertise in requirements management and product management
- \* Experience in the industrial, technology, or events sector is an advantage

## **WE OFFER:**

- \* Exceptional, challenging and unique international projects
- \* Participation in the establishment of a new location for art, technology and events (DARK MATTER)
- \* A highly motivated, international team and a friendly, open-minded working environment - we stand for openness and diversity!
- \* Working independently, flat hierarchies and the opportunity to contribute your own ideas
- \* Wildcard option to participate in projects worldwide
- \* Delicious coffee and drinks for free
- \* Team events, such as joint BBQs and summer parties
- \* Modern studio right on the Spree in East Berlin, with great leisure activities nearby
