

KINETIC LIGHTS is the leading specialist in kinetic lighting.

For more than 15 years KINETIC LIGHTS engineers and produces a wide range of steel wire and powered cable DMX WINCHES for various art, interior, stage, show and event lifting and lighting applications.

The main use of our high precision hoists is the synchronized spatial animation of large arrays of tethered LED LIGHTING ELEMENTS.

Our KINETIC LIGHTS products have received international recognition and awards including Cannes Lions, iF Design Awards, Red Dot Award.

**Mechanical Engineer (m/f/d)
full-time | on-site**

YOUR TASKS:

- * Mechanical concept development
- * Construction and implementation of single mechanical parts and full assemblies
- * Debugging and error analysis
- * Development of test routines
- * Product and part maintenance including cost reduction
- * Documentation (R&D, test reports, etc.)
- * CAD tool and library maintenance

YOU BRING:

- * Degree in mechanical engineering or comparable
- * 4+ years of professional experience in developing base concepts for geared machines and associated parts with manufacturing technologies
- * Experience in developing industrial products
- * Experience in developing test routines

- * Experience in using common CAD-M and 3D modelling tools like Creo, Solid Works or similar
- * In-depth knowledge of design, manufacturing and validation methods for plastic/molded and power transmission parts
- * Inventor attitude
- * High degree of initiative and system thinking
- * Ability to zoom in (detailed level) and out (device level)

WE OFFER:

- * Exceptional, challenging and unique international projects
- * Participation in the establishment of a new location for art, technology and events (DARK MATTER)
- * A highly motivated, international team and a friendly, open-minded working environment - we stand for openness and diversity!
- * Working independently, flat hierarchies and the opportunity to contribute your own ideas
- * Wildcard option to participate in projects worldwide
- * Delicious coffee and drinks for free
- * Team events, such as joint BBQs and summer parties
- * Modern studio right on the Spree in East Berlin, with great leisure activities nearby
